In the modern world, education plays a vital role in shaping a person's future. Among all subjects, learning English has become especially important because it is widely used across the globe. English is the main language of international communication, science, technology, and business. Therefore, students who are good at English have more opportunities to succeed in their careers. However, many students find it difficult to master the language due to limited exposure and lack of confidence. Some students are afraid of making mistakes when they speak, which prevents them from improving their skills. To overcome these challenges, students should practice regularly by reading books, writing simple paragraphs, and engaging in conversations with others. Watching English movies and listening to songs can also make learning enjoyable and effective. Teachers and parents also play an important role by encouraging students and creating a supportive learning environment. In addition, using English in daily activities, such as speaking with friends or writing notes, can greatly improve fluency. Although learning a new language takes time and effort, it is not impossible. With dedication and consistent practice, any student can become confident in using English.

1. What is the main purpose of the passage?
 - (a) To describe different school subjects
 - (b) To highlight the importance of learning English
 - (c) To criticize students who cannot speak English
2. Which of the following best describes a major challenge faced by students?
 - (a) Lack of technology
 - (b) Too many English teachers
 - (c) Fear of making errors while speaking
3. What can be inferred about students who practice English regularly?
 - (a) They may gradually become more confident and fluent
 - (b) They will avoid making mistakes completely
 - (c) They will not need any help from teachers
4. Which statement is **TRUE** according to the passage?
 - (a) Watching movies is not useful for learning English
 - (b) Only teachers are responsible for student success
 - (c) Consistent effort can lead to improvement in English
5. The phrase "*supportive learning environment*" most nearly means:
 - (a) A place where students are punished for mistakes
 - (b) A situation where learners are encouraged and guided
 - (c) A classroom with strict rules only
